## INTRODUCTION

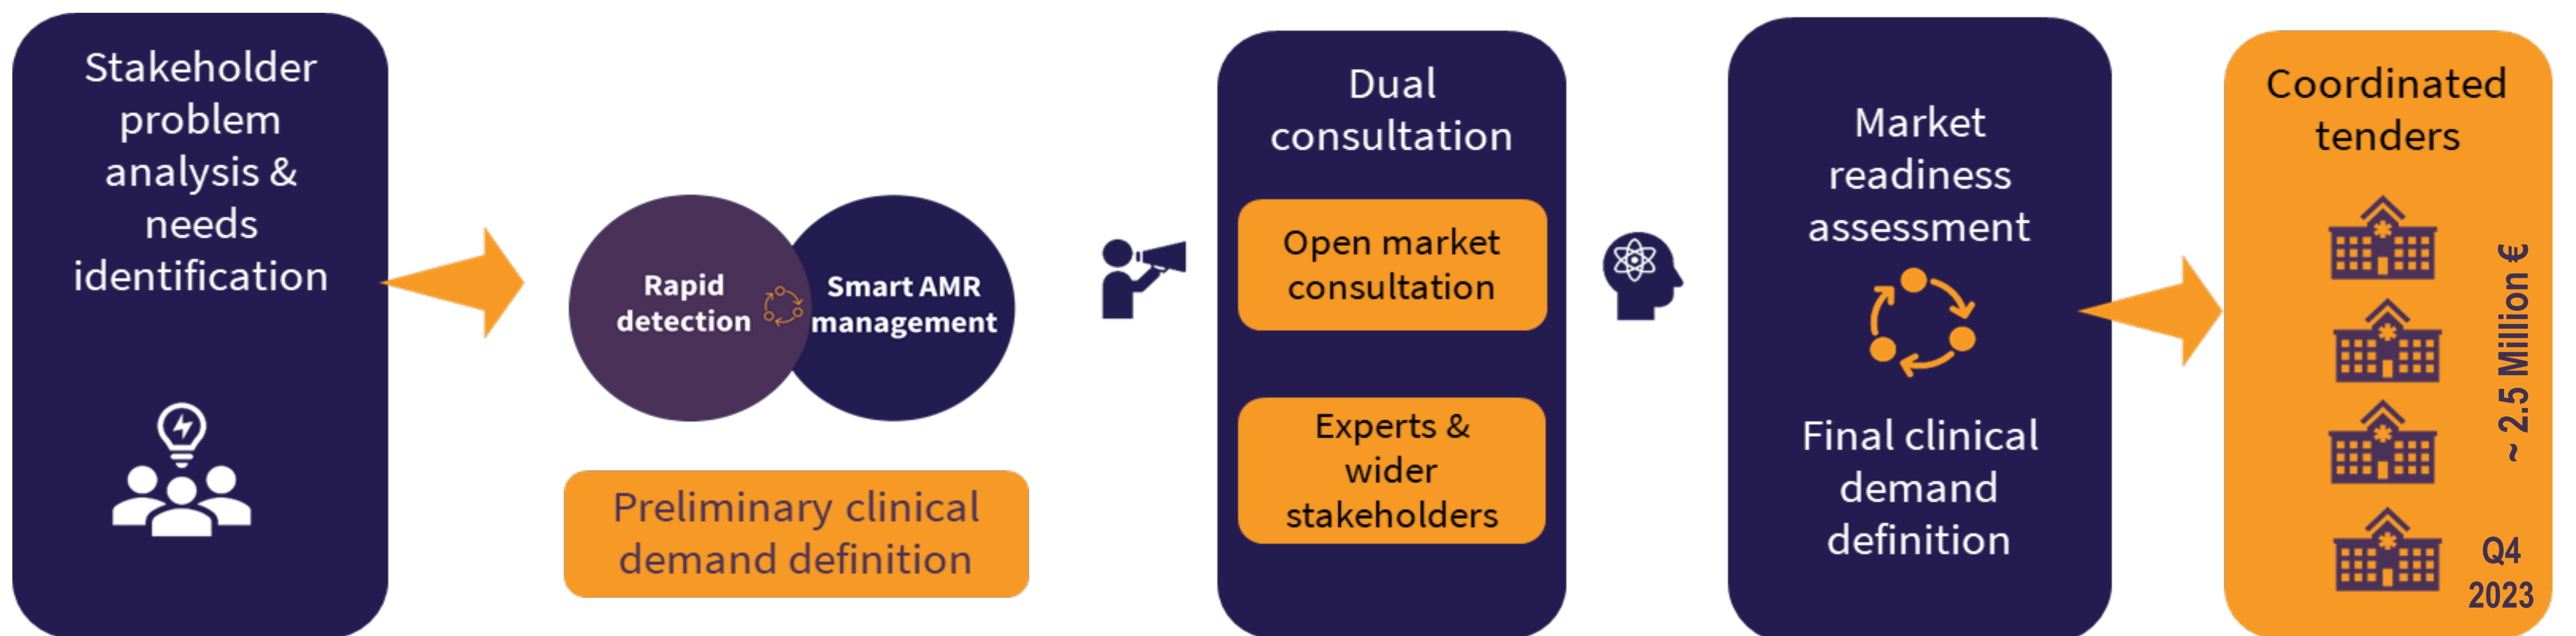

A cross-border Buyers Group will **act as early adopter of innovative solutions** that will address its common needs related to one of the **most important challenges** that are currently present in the political agenda in **EU and worldwide**.

Figure 1. RaDAR PPI Cross-border Buyers Group

Figure 2. RaDAR PPI Collaborative Procurement Model

### Common preparatory phase

### Coordinated tenders' preparation

## IMPACT

Adopted innovative solutions will enable **AMR stewardship** and **improvement of patient care** through the implementation of an effective information flow that will **support clinical decision** by including automatic alerts, easy access to epidemiological data as well as procedural guidelines.
